

Additional information for registration

Hi all,

I am getting a few emails back to clarify the registration process for the reunion. So I thought I'd jot a few notes down to make it easier. Please if you have ANY concerns – email me or call me – 0419974109 or kitkatdave@bigpond.com. Ta Cath Hopgood

- Please post the registration form **back to me at address on bottom** and attach cheque or –
- Deposit funds into the account set up for the event, **noting your name please** as a reference
- The necessary registration FEE of \$25 is to cover venue hire, incidentals, raffles and 2RAR Association membership (you can get membership forms on the day from me to fill out)
- The Dinner is a **BBQ Buffet style for cost of \$50** pp. Kids cheaper dependant on age. Event is to follow a process of a chance to mingle during pre dinner drinks, then seated in tables of 8, wherever you want to sit. BBQ Buffet dinner – tables called up 1x1 by staff. A couple of speeches 1 from 2/4 RAR and 1 x from Rwanda event. Maybe slideshow & drinking and catching up until venue closes @11 ish.
- (anyone who would like to **say anything** formal pls let me know and I'll put you in contact with Army reps)
- Hopefully I will get time to do a **slide show of photos** but need some input and or assistance with this.
- I will **hope to** have someone taking photos on the night which I will then put on a disc for everyone if they would like it. That is the intention anyway.
- Bar will be **purchase own drinks**
- Accommodation form is to be filled out and posted **back to the Twin Towns resort** – not me. Alternatively you can seek your own accommodation – look up Tweed Tourism.
- Event is from approx **1700 - 2300 on 29th Oct** (exact timings to be confirmed closer to date)
- Merchandise: I suggest you **pay in advance to account** to secure your stubby coolers to be picked up on day. Also if you pre pay your polo shirt I can ensure you get the size you are after as I have to finalise the order in Sept to get them made. **IF prepaid** you can rest assured they will be **put aside on the day** for you to pick up.
- If you wait to get merchandise on the day I will have limited stock – especially shirts – I will only have a sample of shirt sizes. After the weekend you can still order any of the merchandise through 2RAR Assn – but not at the cost price.
- Also – there is a **memorial for 2 RAR Association** on the Sat and also a lunch which you are all welcome to attend. I hope that covers the questions that I am receiving and I look forward to getting some more registration forms in.

Regards, Cath Hopgood.
