FOR IMMEDIATE RELEASE

Meet the newly crowned **2006 RSL *Girl in a Million* and RSL Golden Girl**

Hours ago Kelly-Anne Taylor and Alison Stewart took out the two titles at the *RSL Girl in a Million* State Final Gala Presentation held at the Sofitel Hotel last night.

Kelly-Anne Taylor from Mudgeereba was crowned the **2006 RSL *Girl in a Million***, beating 14 other finalists from all over the state who were competing for the title.

Alison Stewart from Carina won the **2006 RSL Golden Girl** title for raising the highest amount of money in Queensland during the 2006 Quest totaling over \$52,000.

This year, the *RSL Girl in a Million Quest* had 67 entrants who spent the past 12 months tirelessly raising funds for their local veteran community through community sausage sizzles, galas, lamington and ANZAC biscuit sales, Great Escapes, raffles and cake stalls.

Both titleholders walked away with \$45,000 worth of prizes, including a new car and an overseas holiday to Europe and Great Britain, and will travel around Queensland as RSL youth ambassadors over the coming year.

The *RSL Girl in a Million Quest* began in 1960 when the population of Queensland reached the one million mark. In its 47 year history, the Quest has raised over \$11 million through the fundraising efforts of entrants, who are single women aged 18 to 35.

To celebrate their titles, Kelly-Anne Taylor and Alison Stewart are available for first interviews and photo opportunities this afternoon at 1pm.
