Residential Care

Residential care available

RSL Care's Darlington Retirement Community at Banora Point is opening high and low residential care places in late April.

Darlington is a new state-of-the-art facility offering comfort, security and safety for residents and a welcoming environment for family and friends to visit. The light and airy single residential care rooms all have ensuites and built-in robes.

High care accommodation

The high care facility will have a Registered Nurse on duty 24 hours a day. Our specialist staff will provide a range of services including nursing, assistance with personal care, dressing and grooming, meals, cleaning, laundry and other daily activities.

Low care accommodation

Low care residents live in their own private suite but eat meals in the main dining room. The facility will also have a central kitchen, furnished lounge and TV area which residents can use as they please.

Special care unit

There will be a unit within the residential care facility for people living with dementia who have increased needs.

Respite care

Short term low care accommodation will be available to give carers time out to enjoy a short break.

Convenient location

Situated in the Tweed Valley, it offers access to shopping, local medical services, libraries, cinemas, banks and the fabulous beaches of northern New South Wales. Also the Gold Coast Airport, Mount Warning, Byron Bay and the Gold Coast hinterland are just a short drive away.

For more information contact Lifestyle Manager Roslyn Henney on 07 5523 8999.
